Nominate a Trinity Nurse for the DAISY Award

DAISY Award honorees personify Trinity Regional Health System's remarkable patient experience.

DAISY nurses consistently demonstrate excellence through their clinical expertise and extraordinarily compassionate care, and are recognized as outstanding role models in our nursing community.

The DAISY Foundation
The DAISY Foundation was established in 1999 by the family of J. Patrick Barnes who died of complications of the auto-immune disease Idiopathic Thrombocytopenia Purpura (ITP) at the age of 33.

D.A.I.S.Y. is an acronym for diseases attacking the immune system.

During Pat's 8 week hospitalization, his family was awestruck by the care and compassion his nurses provided not only to Pat but to everyone in his family.

One of the goals Patrick's family set in creating a Foundation in Pat's memory was to recognize extraordinary nurses everywhere who make an enormous difference in the lives of so many people by the super-human work they do everyday.

What is The DAISY Award?
The DAISY Award is an international program that rewards and celebrates the extraordinary clinical skill and compassionate care given by nurses everyday.

Trinity Regional Health System is proud to be a DAISY Award Partner, recognizing one of our nurses with this special honor every month.

Award Presentation
Each DAISY Award Honoree will be recognized at a public ceremony on their unit and will receive a beautiful certificate, a DAISY pin, and a hand-carved stone sculpture entitled "A Healer's Touch".

Additionally, everyone in the unit will celebrate with Cinnabon® cinnamon rolls – a favorite of Patrick's during his illness.

The Barnes family asks that whenever and wherever nurses smell that wonderful cinnamon aroma, they stop for a moment to think about how special they are.
