Trinity Volunteers

Trinity Volunteers are actively involved in supplementing several hospital services provided to patients and community members. This service enhances patient care and assists the important work of the Trinity Medical Center staff in providing exceptional health care to our community.

The opportunities for volunteers are as varied and interesting as our volunteers themselves. Some of our most popular volunteer positions include:

- Greeting patients at the front desk
- Working in our Gift and Floral Shops
- Working on the floors for our nursing staff
- PRN Services (errand runners, Trinity Rock Island only)
- Making baby hats and blankets for newborns

Our Trinity Volunteers provide a visible presence throughout the hospital.
Call (309) 779-2211.

Your time is important, too.

As a volunteer, you can only put in as much time as you can spare. Daytime, evening and weekend hours are available. We will work with you as much as possible to schedule your times during the hours you prefer to work. We suggest you commit at least four hours every other week.

You will make friends and bring smiles everywhere you go. Above all, you will feel the satisfaction in knowing you make a difference.
