

District 22 Annual Holiday Party

Once again, thanks to the Trinity Regional Health Foundation, The District 22 Holiday Party was a rocking success. One hundred twenty five members jammed the ballroom at the Holiday Inn in Rock Island to dance to the music of DJ Swift, enjoy dinner and meet Mr. & Mrs. Claus. This year was even more special as the volunteers from St. Matthew Lutheran Church were recognized for their outstanding service to the Center's Community Support Program. The church volunteers donated countless hours in tutoring individuals, collecting clothing and other household items and preparing baskets for some of our neediest. We also recognized twelve District 22 members for volunteering numerous hours in the kitchen, snack bar, and planning and hosting events throughout the year.

Count CSP Among the Job Creators

The jobs program at the Robert Young Center (RYC) continues to show successes. Kathy Doherty has twenty people enrolled in the program with an additional two people joining in the past month. Petco recently hired one individual as a cashier at their Moline store. Four other members have been working longer than 90 days at such diverse locations as Arby's, Illinois Central School Bus, McDonald's and Premiere Janitorial Services. The RYC jobs program, known as Individual Placement and Support (IPS) is a collaboration with the Illinois Department of Rehabilitation Services and the Illinois Department of Mental Health. Kathy Doherty, RYC's lone Job Creator, matches local employers and RYC clients. She provides on-going support for at least one year post placement.

Medical Integration

One of the Robert Young Center's strategic initiatives is the medical integration of behavioral health services. The Robert Young Center continues to expand medical integration with primary care and other specialty clinics. In November the Center implemented two new integrated sites of care; Trinity Bettendorf OB/GYN & Community Health Care's Rock Island Clinic.

District 22 Volunteers Give Back to Their Community

In keeping with the spirit of the season, four District 22 members volunteered their time at the Salvation Army in Moline, IL to distribute gifts during the holiday. Special thanks to T.N., Dave, Diane, and C.M.

Precedence Update

The Precedence Carve out was recently re-accredited by URAC. "By applying for and receiving URAC accreditation, Precedence, Inc. has demonstrated a commitment to quality health care," said Alan P. Spielman, URAC President

and CEO. "Quality health care is crucial to our nation's welfare and it is important to have organizations that are willing to measure themselves against national standards and undergo rigorous evaluation by an independent accrediting body."

EAP Update

Precedence is pleased to announce that Pleasant Valley School District, North Scott School District, City of Rock Island and LeClaire Manufacturing will continue offering EAP services. The combined contracts cover over 3,500 lives and provide short-term counseling, management consultation/training and referral services.

Bryan Cook represented and promoted the Robert Young Center at the John Deere Harvester Health Fair in November and will represent RYC at the Carl Sandburg College Annual Benefits & Wellness fair on January 10th.
